Week 53 in 2020.

Payments made in advance. (Bank Holiday)

Employers must report employees' pay to Revenue on or before the pay date. Where the pay date falls on a bank holiday, employers can make the funds available on the last banking day before the pay date but should still report the original pay date. **If the normal pay date falls on 1 January 2021, which is a bank holiday, the employer can make the funds available on 31 December 2020 but must report the pay date as 1 January 2021 and use 2021 credits/rate bands. This is not a week 53 payment.**
