Changes to EWSS from 01/02/2022

As you are probably aware the EWSS has changed to allow for the impact of Public Health Regulations. This applies mainly to the Hospitality Sector.

A new field has been provided which requires the type of EWSS being claimed to be specified.

The screenshot shows a software interface with several fields. At the top, there is a field for 'Non Taxable Pay 3' with a value of '0.00' and an 'Exclude' dropdown menu. Below this, there is a 'Claim EWSS this period' checkbox which is checked. To the right of this checkbox is the 'EWSS TYPE' dropdown menu, which is currently open and shows three options: 'EWSS', 'EWSS', and 'EWSS_PHR'. Below the 'EWSS TYPE' dropdown, there is a 'Delete All' button. To the left of the 'Delete All' button, there is a 'Net To Gross' checkbox which is unchecked, and below it, the text 'Compute On Net To Gross Basis' is visible.

An EWSS Type must be entered
